

How Greenshades Takes the Pain out of Payroll Taxes for Healthcare Companies

Greenshades gives healthcare organizations simple ways to stay compliant with payroll taxes, no matter where your employees call home.

Healthcare providers rely on Greenshades for expert tax and compliance support. Through our cloud-based Payroll, HR, and Tax platform, you can automate even the most complex pay conditions while maintaining ease-of-use for your team.

Automate Complex Back-office Tasks

Including employee benefit elections, license and certification management, and more.

Support Mobile Healthcare Workers

Get time tracking for travel and on-call needs, per diem management, and tax assignment support.

Simplify tax and withholding calculations, even if employees work across state lines.

Simplify complicated pay types including:

- 8/80 overtime
- Tuition/learning reimbursement
- Shift differentials

Stress-Free Payroll Taxes for Healthcare

From strict compliance requirements to the evolving deskless workforce, healthcare organizations are becoming more complex. Greenshades' platform is a unified cloud solution designed to address the specific payroll tax needs of healthcare.

With Greenshades, you:

- Stay compliant from the start.
- Manage payroll funding directly.
- Align payroll processes to your needs.
- Leverage our 20+ years of expertise in payroll and tax for healthcare.

Stop the Benefits Guessing Game

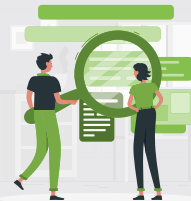

Easily see which employees must be offered insurance and ensure they get coverage.

Stay Aligned with the Affordable Care Act (ACA)

Automate setting up and managing your unique ACA requirements.

Leverage Rule of Parity in rehire scenarios using the Look-Back Measurement Method.

Avoid filing 1095-Cs that show insufficient coverage levels at year-end.

Eliminate Pre-Funding Requirements

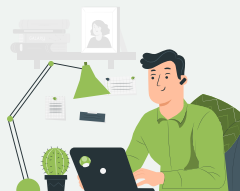

Greenshades does real-time payroll so you keep your money until it's time to pay.

Manage Tax Deadlines Across Multiple Regions

Never miss a location-specific tax deadline, no matter where your employees call home.

Automate calculations even when workers are called to other cities, counties, and states.

No matter how much your workers travel, we handle all the tax withholding and reporting automatically.
