Greenshades

Navigate Modern Staffing Challenges with Adaptive Payroll Systems

The Greenshades Solution

In a world of corrective payruns, diverse jobs worked at various rates, and multi-jurisdiction payroll taxes, the **Greenshades Payroll and HR solution delivers an automated system to streamline complex calculations and compliance.**

Optimize Payroll Tasks

- Process unlimited pay runs, off-cycle payments, and termination payments.
- Manage multiple EINS, variable pay rates, and detailed compensation structures.
- Easily allocate labor costs to ensure precise billing and cost management.

Ensure Multi-Jurisdictional Compliance

- Accurately deduct federal, state, and local taxes for employees in all jurisdictions.
- Automatically comply with overtime and minimum wage regulations.
- Support all types of garnishments and process workers' compensation payments.

Receive Support Beyond Payroll

- Utilize effective onboarding tools, self-service portals, and timekeeping solutions.
- Efficiently file and distribute year-end and payroll tax documents.
- Optimize your technology stack by integrating with existing platforms.

Comprehensive In-House Payroll & Tax Compliance for Staffing Organizations

- ✓ Automated system for complex calculations and compliance.
- ✓ Enhances flexibility and control over business processes.
- ✓ Integrates with your ERP and other staffing solutions, like Bullhorn.
